

# Information Event

## Tuesday 19th July

Please come along and find out more about our new Waste Treatment Facility. The event will run from 2-7pm as a drop in event, at the Partnership Centre. Feel free to pop in and learn all about our plans.

### **Learn About:**

How we will achieve a high recycling rates through our Materials Recycling Facility.  
How we are using safe and proven technology to turn your waste into energy.

### **Speak to:**

Representatives from Levenseat.  
Experts from Outotec (Technology provider)  
Key members of staff from M&W Group ( The company in charge of the build)
